Helper is an open source project, so any help will be appreciated (from Java Eclipse RCP development to reporting bugs, to proposing new features and improvements)!

First you can subscribe to our mail-list at [sourceforge.net](https://lists.sourceforge.net/lists/listinfo/helper-devel)  
(<https://lists.sourceforge.net/lists/listinfo/helper-devel>)

If you are ready to do something email Dmitry Shingarev at [dimashdev@users.sourceforge.net](mailto:dimashdev@users.sourceforge.net)
